What is a wyrker?

A wyrker is a qualified professional in your area who can be invited to fill your shifts. Individual wyrkers decide when they are available to work, but there are wyrkers available 24/7.

How do I get started?

Sign up on the website at wyrk.io or scan the QR code below. We will be in touch with next steps.

How much does it cost?

Membership of our community and use of our platform is free. You only pay when you hire workers. You determine the maximum pay rate that you think is fair for your jobs.

How do I hire wyrkers?

Create a shift that you need to fill in our application. We will match you with qualified professionals in your area. You can choose who you want to invite to work your job.

Do I have to deal with payroll?

No. Wyrk takes care of timekeeping and payroll for you. All you have to do is create your shifts and choose wyrkers to invite.

How do you ensure the quality of wyrkers?

We check the qualifications of all wyrkers. When you invite wyrkers, you will be able to see their qualifications, work history and ratings and reviews for the worker.
